

Gurilla

NPK 8.8.6

**Stress relief formula containing
macro and micronutrients**

پاکستان کے رنگ۔ وائٹل ایگری کے سنگ

A wide-angle photograph of a banana plantation. The foreground is filled with large, vibrant green banana leaves. In the middle ground, a stone wall separates the plantation from a small town with white buildings and palm trees. The background shows rolling hills under a clear sky.

A unique and agronomically efficient liquid stress reliever formulation with balanced N-P-K, micronutrients, and amino acids.

Chemical Analysis

Gurilla

Macro Elements (w/w)

Nitrogen(N)	08 %
-------------	------

Phosphorus (P ₂ O ₅)	08 %
--	------

Potassium (K ₂ O)	06 %
--------------------------------	------

Trace Elements (ppm)

Iron (Fe) - EDTA	200
------------------	-----

Copper (Cu) - EDTA	100
--------------------	-----

Manganese (Mn) - EDTA	200
-----------------------	-----

Zinc (Zn) - EDTA	100
------------------	-----

Boron (B)	100
-----------	-----

Amino Acids	1000
-------------	------

Physical Properties

Appearance	Liquid
------------	--------

Color	Black
-------	-------

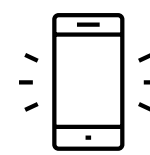

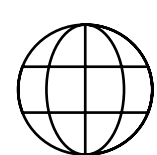

Moisture (%)	N/A
